2026-2027 VOLLEYBALL CANTEEN/GATE SCHEDULE

Please be sure that your assigned time works for you. If not, it is YOUR RESPONSIBILITY to find a replacement. You may trade places with other parents or have another adult work in your place.

Games begin at different times depending on which teams are playing. Parents working the first shift should arrive at least an hour before game time to set up.

Gate and Canteen Set Up: Pickup cash boxes from the office. Set table up right inside the gym door. Fill 2 drink containers with drinks then add ice. (Ice machine is located in the training room.) Candy is inside the fridge in the basketball canteen. Put candy out on the table. Put trash bags in white trash cans and put them out on both home and visitor bleachers.

Varsity Shift/ Cleanup: At the end of the game place the candy and drinks back into the fridge. Empty the ice out of the drink containers and place inside the basketball canteen. Collect and empty trash cans from both home and visitor bleachers. Take trash to the dumpster.
