Our Mission:

The Mission of the Cavalier Club is to provide the very best in athletic equipment, uniforms, and sports facilities for its student athletes, while working to provide a wholesome and safe environment for Cavalier Families to come and support the mission of the School. We exist solely to support the student athletes of Calhoun Academy and the athletics in which they participate. What a privilege it is to be a part of something special!

What is the Cavalier Club?

The Cavalier Club is a group of parents, alumni and friends of Calhoun Academy who devote their time and energy, and provide financial support to the Cavalier Athletic Program. We are the sole source of funding for athletics at Calhoun Academy. In addition to furnishing uniforms and sports equipment for the School's athletic teams, the Cavalier Club also provides sports facility maintenance for the athletic fields and gymnasium and offers concessions at all home sporting events, among many other things that allow our athletes to excel in sports. Great things are happening with CA Sports and we will continue to work on facilities upgrades as part of our mission and purpose and will continue to call on members of the Cavalier Club to support these endeavors.

Who can join the Cavalier Club?

The Cavalier Club invites families of all current students, alumni, friends and grandparents to become a part of the Cavalier Club and support the Calhoun Academy Cavaliers! The Cavalier Club is open to any individual, business or family who supports Calhoun Academy Athletics and not just parents of athletes. We encourage parents of all CA students to join the Cavalier Club. The vision and hope is that parents of the younger students will join the Cavalier Club and instill in their children that awesome Cavalier Pride from a young age by attending football games and other events.

How can I support the Cavalier Club?
