

CALHOUN ACADEMY CAVALIER CLUB

On behalf of the Calhoun Academy Cavalier Club, I want to welcome you to 2021-22 athletic season.

The Calhoun Academy Cavalier Club's mission is to provide the best athletic facilities, equipment, and uniforms for student athletes at Calhoun Academy. The general fund's financial support will vary from year to year. However, the funds are historically used for capital improvements, equipment replacement and maintenance, team travel expenses, field or court maintenance, officials, recognition banquets, and concession stand operations. The Cavalier Club works in conjunction with Calhoun Academy to provide resources for all of our student athletes.

The Cavalier Club invites families of all current students, alumni, friends and grandparents to become a part of the Cavalier Club and support the Calhoun Academy Cavaliers! The Cavalier Club is open to any individual or family who supports Calhoun Academy Athletics and not just parents of athletes. We encourage parents of all CA students to join the Cavalier Club. The vision and hope is that parents of the younger students will join the Cavalier Club and instill in their children that awesome Cavalier Pride from a young age.

Membership levels include an option to get a family pass (two game passes) or individual pass (one game pass) which allow admission to any home athletic event for the entire school year. Family passes include a free gift from the Cavalier Club.

Corporate sponsors are also welcome. Let us help you promote your business with a sign around the football field.

Membership forms and corporate sponsor forms are available on the Calhoun Academy website or can be picked up in the office. If you have any questions, please do not hesitate to contact me at **803-682-3613**. The Cavaliers first home volleyball game will be on Monday, August 23rd, and the varsity football team plays August 27th. Thank you for your support and I hope to see you at the games! **Go Cavaliers!**

Sincerely,

Eddie Miller
